

## **MONTHLY REPORT – JUNE 2007.**

Terry, Brian and Bob met with Council and Terrigal Lagoon Bushcare and had what we believe to be a successful meeting. The Council officers were very good and asked us what we thought we needed at the Sailing site. In the end we didn't get the gold plated launching platform so we settled for the Council returning to their place and preparing a submission for funding for bank retention and some means of preventing vehicles driving down onto the edge. We will still use the site and have full access and we will park our vehicles the same way as we do now. To date we have no word on progress. Terry has a full report that most have seen.

It looks like the Club will be hosts to a two day Regatta at The Entrance on the northern side next to the caravan park. This is a result of The Entrance Chamber of Commerce who run a "Festival of the Winds" on the 11/12 November 2007 and they have invited the NSWRYA to conduct a regatta in conjunction with the festival. Assessments have been carried out of the location, and whilst it does have some difficulties a regatta can be held. It seems that an open invitation to all Radio Yacht Club be issued and that we hold a two day regatta with the first being Scratch and the second being Handicap. We are looking at a test day on the 29 July 2007 please comment to Allan, Terry or Ian.

This does mean that the 10R States will be moved and they could be conducted the following weekend 17/18 November 2007 at the CCRYC site.

Lake Tabourie Radio Yacht Club has asked us to suggest a date for an Interclub Regatta and inviting all Clubs that sail Solings to attend. The suggested dates are the 22/23 September 2007 which replaces our Interclub. Please give Allan or Terry some feedback on the dates and possible attendance down the coast.

We all love to sail our yachts and it is obvious that we also like to compete against each other, just a little reminder the Racing Rules are there to govern that competition.
