

MONTHLY REPORT – MAY 2007

This is the first of the regular updates that now replace monthly meetings. Remember if you want a meeting about any issue just see Allan, Ian or Terry and we will have one, if you don't think this idea will work it will only go as far as the AGM when the issue will be discussed and the Club will decide what is best or better.

As you see we have commenced using our new logo and if I can work out how to do it a different size I will or even use it as a watermark if possible.

The Club has been active with new boats being launched, new people making enquiries and members visiting other Clubs as well as running the State Soling Regatta.

If you want something included in this report see Terry or Email it to him at tmlester@bigpond.com.

Allan the PRO for the day, assisted by the Club members ran a pretty successful Soling State Championship Regatta at the end of April. Whilst the entry level was lower than usual it was an excellent couple of days and our Club members did very well with Frank Russell the newest State Champion closely followed by Malcolm Kampt from Brisbane and then Phil Page third. Thanks to Allan and the Regatta Team.

Terry met with Jim Flint of the Terrigal Lagoon Bushcare group concerning the edge of the Lake where we sail. We had a general discussion about our concerns and how we could prevent any more damage occurring but still maintaining our sailing. A meeting has been organised by Jim with ourselves, Council Bushcare officer and council maintenance people responsible for that are of the Lagoon, this will happen on the 29 May 2007 at 3pm, any other member that wants to attend as well is welcome. (See Terry for a full report on the original meeting).

Ian reports that we are in a comfortable position with finance although we lost a little on the State Regatta, we have a cash balance of \$2087.40 as at 29 APRIL 2007. terry also has a full report from Ian if you wish to see the detail.
