

## **MONTHLY REPORT MAY 2008**

CCRYC club members have done very well over the past month or so having picked up wins at Forster, Tabourie and Castle Hill. The two day Soling event at Lake Tabourie was hosted by the Lake Tabourie Radio Yacht Club and they set a standard which will be hard to copy with morning tea, and BBQs. The sailing was good and very competitive, the winds were variable from dead calm through to a good breeze. It looks as though we will return there in the future. The next event was the Soling State Championships at Northern Mariners in the Business Park pond. The breeze was almost non existent for most of the weekend and it seems to have taken great skill just to get around the course let alone finish the races in a good position. All the sailors were on an equal footing with the same water and the same breeze and the same boats so it really came down to skill. Congrats to all the sailors that attended the regattas and the place getters (good on you Phil). Not as many went to Manly for the Mazda 10R scratch day which was disappointing but Club members did well again.

The legendary tree has had some more broken from it, the Council has been informed but there seems to be a lack of interest by the Council so we can't do much else apart from ringing every now and then.

The AGM is on the 6.7.08 at Kevin Troys place. The Agenda and location will follow in the next few days. If you want something on the Agenda let me know ASAP.

If you want something included in this report see Terry or Email it to him at [tmlester@bigpond.com](mailto:tmlester@bigpond.com).
