

MONTHLY REPORT SEPTEMBER 2008

Pretty quiet month with not a great deal going on, we have had a couple of excellent days sailing both on Friday and Sundays with the predominant yachts being the 10Rs. Don't forget the **Soling Interclub on the 12 October 2008**, hope we can all make it on the day. If you know people with Solings who haven't been along for a while give them a call and some encouragement to enter. It is mainly a day to enjoy and try to lift the standard of sailing, we have indication that a good few people will enter from Tabourie (must be the warm weather up here). See you all there.

The NSWRYA has been corresponding with us and other Clubs concerning Insurance, which is always a concern, if anybody hasn't paid their Club fees at this stage they are not covered by our insurance so please see Ian or myself ASAP. The situation with casual members of a Club, that is a member who has primary membership of one club and associate of another, is that the primary membership must be paid to one of the Clubs.

I hate to do it but the end of year Presentation night is getting closer which also includes Christmas food. Our date is set, if anybody has suggestions for a different venue or time or in fact other suggestions give us a call and pass it on before we confirm things.

TREASURERS SPOT

Our cash position is \$2700.43, if you wish to see the full report or discuss financial matters in the light of the current world view please see Ian.
