The morning started very overcast with a cold and showery day expected. The rain held off as the wind came in from the S/SW with strong gusts at times throughout the day. The 10Rs started first and the boats really enjoyed the lively conditions. Most skippers were using their 'B' rigs with a couple of brave (or foolish) daredevils sticking with 'A' rigs. The sailing was exhilarating with Allan coming in first followed by Robert and Ian. The Solings performed well in the conditions and it was good to see the number of boats on the water. Frank took the top placing for the day followed by Robert and Ian. Maurice, however, will have to make a new mast after breaking his removing the boat from the water (luckily it was the last Soling race of the day).

Ian Trethewy - Scratch Race Officer
