The day was very cool with the wind strong and gusty out of the S/SW. Solings were first up and they did well in the conditions with Robert and Ian sharing the lead. Robert should have taken first place but forgot a change in course and went through the wrong finish line in one race just after lunch. The 10 raters were using 'B' and 'C' rigs all day with 45 blitzing the field. Unfortunately for Michael, he was unable to sail his 10 as he had signal trouble in the receiver.
