Another great day of sailing. The moderate gusty breeze lasted most of the day and dropped towards the end. We had two rounds for both Solings and 10 Raters with some very close racing. Allan once again showed how good his 10R is and won every race. Ian came second with Robert coming third. Both Frank and Robert came equal first in the Solings followed by Ian and Maurice. This ends our match racing for 2006 and the placings are as presented above.
