The 2007 season started with a very hot day (around 40 degrees) and very strange wind conditions. The initial race was sailed in a light SE breeze and then the wind strengthened and we had white caps racing down from the north. Both the Soling 1Ms and 10 Raters jostled for position at the buoys and keeping control of the yachts became the priority. After lunch the wind eased and settled in from the NE. The day did not start well for Terry, Sid and Maurice. Terry tripped as he was about to launch his Soling 1M and broke his transmitter aerial, Sid began to sail his 10 Rater and found that the rudder mechanism was stripped, and, after the initial round of 10 Rater racing Maurice had a mast shroud break and had to retire for the day. Kevin has acquired a 10 Rater during the break and so was able to sail both classes - enjoying the chaos in setting up two boats and switching between the two throughout the day. Once the racing was over and the points tallied the winner of the 10 Raters was Allan followed by Robert and Ian. For the Soling 1Ms the winner was Phil followed by Frank and Robert. The 2007 competition has begun!!!!!!

Ian Trethewy - Scratch Race Officer
