* = Average Points

Light winds out of the SE were the order of the day as the expected NE afternoon breeze never came. The Soling 1Ms started the day and finding the patchy breeze in the light conditions was a real art. Many a wrong tack or turn was taken leaving boats stranded in dead air. Michael had not completed the repairs to AUS 40 and so raced his second boat (AUS 65) today. In the end, the experts showed their skills with Phil and Frank swapping the lead throughout the day. The final placings were very close with Phil winning the day on a countback from Frank, and Robert taking third place. With the 10Rs both Ian and Robert got caught on buoy ropes during the first race and so were given average points. Allan sailed his newly acquired Paradox and the boat performed extremely well in the light wind conditions. He completely blitzed the field, followed by Phil and then Robert.

Ian Trethewy - Scratch Race Officer
