The day was mild with very light winds initially out of the N/NW, swinging around to the N/E, and then dropping off by lunchtime. The 10 Raters were first up and 3 of the rounds were completed before the Soling One Meters were given a go on the millpond. It was decided to complete the Soling Round Robin and this took the rest of the afternoon. The course was restricted to just a 'V' in shape which proved very hard to get around in the extremely light conditions. With the complete lack of wind, the 10 Rater Round Robin was eventually abandoned. At the end of the Soling 1M event, both Sid and Frank were equal first on 7 points, with Bob and Terry equal second on 5 points, and Ian in third place on 4 points. Charles joined us today for the first time and sailed both his Soling 1M and 10 Rater. Everyone had to concentrate hard today to extract anything from the still conditions. All of us would like to see plenty of wind in the final round of this event!
