The morning started earlier than normal with our AGM being held at the lakeside. The temperature was cool and remained in the low teens all day. The wind did show some early promise and then slowly weakened by mid afternoon. Once the racing started, the 10Rs enjoyed some good tacking duels on an interesting course. Phil was sailing a newly acquired Walicki which performed very well. The Soling 1Ms also enjoyed the conditions until the wind abated. By the last race the lagoon's surface was silky smooth with not a breath of wind anywhere.
