The day started very wet and overcast and then turned into a fantastic day. For the first time this year we had 20 knot gusty wind out of the W/NW all day which produced some very challenging and competitive racing. What a change from all the drifters we have been having over the last few months. 10 Raters were up first and after the third race most skippers were down to their second or third rig. Bob sailed his 10 Rater for the first time and did very well. After 9 races the day was won by Allan, followed by Ian and Terry. In the Soling 1M racing the strong breeze caused a few boats to retire and so by the last race there were only four boats competing. After 9 races Terry came first (on a countback) with Ian second and Sid taking third place.
