A mild overcast day started out with a strong breeze early on out of the south east and the forecast was for an even stronger breeze in the afternoon. All skippers had high expectations for their 10 Raters and were preparing to use their smaller rigs. However, the breeze had other ideas and by lunchtime it had settled down to a moderate puff. Some of the skippers even re-rigged their 10 Raters with more sail area and kept a careful watch to the south, just in case the weatherman was right. In the Soling 1M class the day winner was Maurice (23 points), followed by Ian (30 points) on a countback from Phil (30 points). In the 10 Rater class the winner was Terry (27 points), followed by Sid (39 points) and Ian (40 points).
