DNS : Did Not Start DNF : Did Not Finish

The expected rain did not come today and the beautiful autumn weather continued on - providing a clear sunny day with a moderate breeze out of the south. The morning started by removing a long rope that had been strung up between the trees right over our launching bay. The 10 Raters were up first and after 9 races the winner was Terry followed by Bob Brown and Allan. In the Soling 1M event, after 6 races the winner was Kevin followed by Terry and Ian. Keep this weather coming!
