DNF: Did Not Finish

Today we experienced beautiful autumnal weather with the temperature around twenty seven degrees and a moderate gusty breeze out of the north / north west. After setting courses to cater for the wind shifts, we started with the Soling 1Ms and after 9 races the day winner was Phil followed by Ian in second place and Sid in third place. Andrew Sands sailed his IOM with us today and was doing well until his keel broke away and fell off the boat during a tacking duel to the windward buoy. The 10 Raters also sailed 9 races today and it was great to see a fleet of these yachts tacking up the lagoon. The day results were Allan in first place, Phil in second place and Ian in third place. A great finish to a great day!
