Racing today was at The Entrance and we were greeted with sunny skies and a strong NE breeze that built up during the day. The venue is totally different to Terrigal Lagoon with strong tidal changes, power boats, weed and chop all providing challenges to competitive racing. Different skills are required to race in these conditions (reversing to remove weed etc) and it will be a good experience for our skippers to hone these skills. The attrition rate was high today in the 10 Rater class with 9 starters being reduced down to 3 by the last race. The 10R day winners were Allan in first place, Ian in second place and Sid in third place. The Soling One Meters were more robust with only one boat dropping out just after lunch. The winners today were Frank in first place, followed by Ian in second place and Sid in third place.
